

930C1W2P2K-F

CORNELL  
DUBILIER

ENERGIZING IDEAS

Part Number:

930C1W2P2K-F

Manufacturer:

Cornell Dubilier Electronics

Description:

CAP FILM 2.2UF 10% 100VDC AXIAL

Data sheet:

 930C Series

RoHs Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

| Applications                                                                                                                                                                                                                                                                                                                                                                                                                        | General Purpose                                                    |                                 |                                           |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Cornell Dubilier Electronics series electronic components. We have 12416 pieces of Cornell Dubilier Electronics 930C1W2P2K-F in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                                                    |                                 |                                           |
