

947C161K122CAM

Part Number: 947C161K122CAM

Manufacturer: [Cornell Dubilier Electronics](#)

Description: CAP FILM 160UF 10% 1.2KVDC SCREW

Data sheet:  [947C Type](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                 | 160µF Film Capacitor 230V 1200V (1.2kV) Polypropylene (PP), Metallized Radial, Can | Capacitance                     | 160µF                                        |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                         | DC Link, DC Filtering                                                              |                                 |                                              |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Cornell Dubilier Electronics series electronic components. We have 1694 pieces of Cornell Dubilier Electronics 947C161K122CAM in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                                                                    |                                 |                                              |
