

947C211K122CBM

Part Number:

947C211K122CBM

Manufacturer:

Cornell Dubilier Electronics

Description:

CAP FILM 210UF 10% 1.2KVDC SCREW

Data sheet:

 [947C Type](#)

RoHs Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                                | 210µF Film Capacitor 230V 1200V (1.2kV) Polypropylene (PP), Metallized Radial, Can | Capacitance                     | 210µF                                        |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | DC Link, DC Filtering                                                              |                                 |                                              |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Cornell Dubilier Electronics series electronic components. We have 1390 pieces of Cornell Dubilier Electronics 947C211K122CBM in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                                    |                                 |                                              |
