

A101K15C0GF5TAA

**Part Number:** [A101K15C0GF5TAA](#)

**Manufacturer:** [Electro-Films \(EFI\) / Vishay](#)

**Description:** CAP CER 100PF 50V C0G/NP0 AXIAL

**Data sheet:**  [A Series Datasheet](#)

**RoHs Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | 100pF ±10% 50V Ceramic Capacitor C0G, NP0 Axial | Capacitance                     | 100pF                                        |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | General Purpose                                 |                                 |                                              |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Electro-Films (EFI) / Vishay series electronic components. We have 1639469 pieces of Electro-Films (EFI) / Vishay A101K15C0GF5TAA in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                 |                                 |                                              |
