

A473M20X7RK5TAA

Part Number: [A473M20X7RK5TAA](#)

Manufacturer: [Electro-Films \(EFI\) / Vishay](#)

Description: CAP CER 0.047UF 200V X7R AXIAL

Data sheet:  [A Series Datasheet](#)

RoHs Status: Lead free / RoHS Compliant

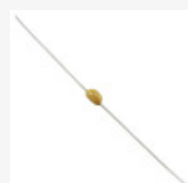

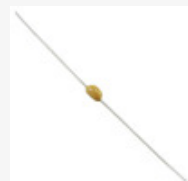

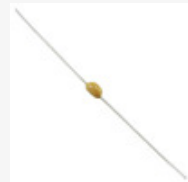

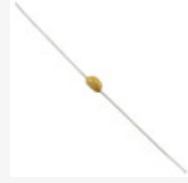

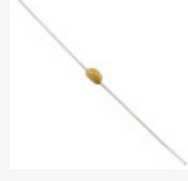

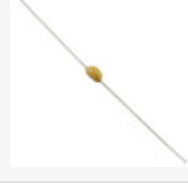

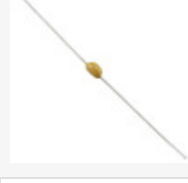

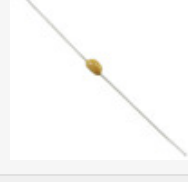

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | 0.047µF ±20% 200V Ceramic Capacitor X7R Axial | Capacitance                     | 0.047µF                                      |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | General Purpose                               |                                 |                                              |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Electro-Films (EFI) / Vishay series electronic components. We have 189187 pieces of Electro-Films (EFI) / Vishay A473M20X7RK5TAA in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                               |                                 |                                              |
