

A681J15C0GH5TAA

Part Number: [A681J15C0GH5TAA](#)

Manufacturer [Electro-Films \(EFI\) / Vishay](#)

Description CAP CER 680PF 100V C0G/NP0 AXIAL

Data sheet:  [A Series Datasheet](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | 680pF ±5% 100V Ceramic Capacitor C0G, NP0 Axial | Capacitance                     | 680pF                                        |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | General Purpose                                 |                                 |                                              |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Electro-Films (EFI) / Vishay series electronic components. We have 450874 pieces of Electro-Films (EFI) / Vishay A681J15C0GH5TAA in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                 |                                 |                                              |
