

A822M15X7RF5TAA

**Part Number:** [A822M15X7RF5TAA](#)

**Manufacturer:** [Electro-Films \(EFI\) / Vishay](#)

**Description:** CAP CER 8200PF 50V X7R AXIAL

**Data sheet:**  [A Series Datasheet](#)

**RoHs Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | 8200pF ±20% 50V Ceramic Capacitor X7R Axial | Capacitance                     | 8200pF                                       |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | General Purpose                             |                                 |                                              |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Electro-Films (EFI) / Vishay series electronic components. We have 1457993 pieces of Electro-Films (EFI) / Vishay A822M15X7RF5TAA in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                             |                                 |                                              |
