

AAT2860IMK-2A-T1

**Part Number:** [AAT2860IMK-2A-T1](#)

**Manufacturer:** [Skyworks Solutions, Inc.](#)

**Description:** IC LED DRIVER REGULATOR

**Data sheet:**

**RoHs Status:** Lead free / RoHS Compliant

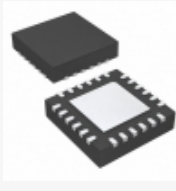

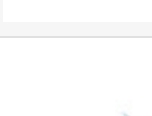

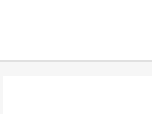

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                            | LED Driver IC 7 Output DC DC Regulator Switched Capacitor (Charge Pump) | Current - Output / Channel       | -                                        |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | -                                                                       |                                  |                                          |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Skyworks Solutions, Inc. series electronic components. We have 565979 pieces of Skyworks Solutions, Inc. AAT2860IMK-2A-T1 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                         |                                  |                                          |
