

AAT3351IWP-T1

**Part Number:** [AAT3351IWP-T1](#)

**Manufacturer** [Skyworks Solutions, Inc.](#)

**Description** IC REG CHARGE PUMP DC/DC 12TDFN

**Data sheet:**  [AAT3351](#)

**RoHs Status:** Lead free / RoHS Compliant

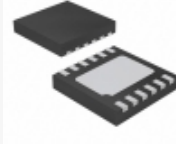

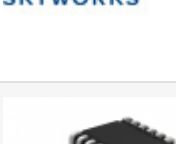

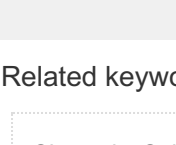

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                       | LED Driver IC 4 Output DC DC Regulator Switched Capacitor (Charge Pump) Dimming 30mA 12-TDFN (3x3) | Current - Output / Channel       | 30mA                                     |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                                               | Backlight                                                                                          |                                  |                                          |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Skyworks Solutions, Inc. series electronic components. We have 4335 pieces of Skyworks Solutions, Inc. AAT3351IWP-T1 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                                                    |                                  |                                          |
