

ABMJB-902-156USY-T5

**Part Number:** [ABMJB-902-156USY-T5](#)

**Manufacturer:** [Abracon Corporation](#)

**Description:** IC MEMS JITTER ATTEN LP SMT

**Data sheet:**  [ABMJB-902 Series Drawing](#)  
 [ABMJB-902 Number, Configuration Guide](#)

**RoHs Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Quantity Available              | 14371 pcs                                 | Data sheet                       | <a href="#">ABMJB-902 Series Drawing</a><br><a href="#">ABMJB-902 Number, Configuration Guide</a> |
| Category                        | <a href="#">Integrated Circuits (ICs)</a> | Voltage - Supply                 | 2.97 V ~ 3.63 V                                                                                   |
| Supplier Device Package         | SOT-23-6L                                 | Series                           | -                                                                                                 |
| Ratio - Input:Output            | 1:2                                       | Packaging                        | Strip                                                                                             |
| Package / Case                  | SOT-23-6                                  | PLL                              | No                                                                                                |
| Output                          | LVCMOS                                    | Other Names                      | 535-13165                                                                                         |
| Operating Temperature           | -40°C ~ 85°C                              | Number of Circuits               | 1                                                                                                 |
| Mounting Type                   | Surface Mount                             | Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                                                                     |
| Manufacturer Standard Lead Time | 15 Weeks                                  | Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                                                                        |
| Input                           | LVCMOS                                    | Frequency - Max                  | 25MHz                                                                                             |
| Divider/Multiplier              | -                                         | Differential - Input:Output      | No/No                                                                                             |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Abracon Corporation series electronic components. We have 14371 pieces of Abracon Corporation ABMJB-902-156USY-T5 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
