

AD2702SD

AHEAD OF WHAT'S POSSIBLE™

Part Number: [AD2702SD](#)

Manufacturer: [ADI \(Analog Devices, Inc.\)](#)

Description: IC VREF SERIES +-10V 14CDIP

Data sheet:  [AD2700-02](#)

RoHs Status: Contains lead / RoHS non-compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Voltage - Input                                                                                                                                                                                                                                                                                                                                                                                                                                                           | 13 V ~ 18 V                               | Tolerance                        | ±0.05%                                          |
| Temperature Coefficient                                                                                                                                                                                                                                                                                                                                                                                                                                                   | 5ppm/°C                                   | Supplier Device Package          | 14-CDIP                                         |
| Series                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | -                                         | Reference Type                   | Series                                          |
| Packaging                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | Tube                                      | Package / Case                   | 14-CDIP (0.300", 7.62mm)                        |
| Output Type                                                                                                                                                                                                                                                                                                                                                                                                                                                               | Fixed                                     | Operating Temperature            | -55°C ~ 125°C (TA)                              |
| Noise - 10Hz to 10kHz                                                                                                                                                                                                                                                                                                                                                                                                                                                     | -                                         | Noise - 0.1Hz to 10Hz            | 50µmA                                           |
| Mounting Type                                                                                                                                                                                                                                                                                                                                                                                                                                                             | Through Hole                              | Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                   |
| Lead Free Status / RoHS Status                                                                                                                                                                                                                                                                                                                                                                                                                                            | Contains lead / RoHS non-compliant        | Detailed Description             | Series Voltage Reference IC ±0.05% 10mA 14-CDIP |
| Current - Supply                                                                                                                                                                                                                                                                                                                                                                                                                                                          | 17mA                                      | Current - Output                 | 10mA                                            |
| Base Part Number                                                                                                                                                                                                                                                                                                                                                                                                                                                          | AD2702                                    |                                  |                                                 |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all ADI (Analog Devices, Inc.) series electronic components. We have 5317 pieces of ADI (Analog Devices, Inc.) AD2702SD in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                           |                                  |                                                 |
