

AD7572LP05

AHEAD OF WHAT'S POSSIBLE™

Part Number: [AD7572LP05](#)

Manufacturer: [ADI \(Analog Devices, Inc.\)](#)

Description: IC ADC 12BIT HS LC2MOS 28-PLCC

Data sheet:  [AD7572](#)

RoHs Status: Contains lead / RoHS non-compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                        | 12 Bit Analog to Digital Converter 1 Input 1 SAR 28-PLCC (11.51x11.51) | Data Interface                 | Parallel                                   |
| Configuration                                                                                                                                                                                                                                                                                                                                                                                                                                                               | ADC                                                                    | Base Part Number               | AD7572                                     |
| Architecture                                                                                                                                                                                                                                                                                                                                                                                                                                                                | SAR                                                                    |                                |                                            |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all ADI (Analog Devices, Inc.) series electronic components. We have 4887 pieces of ADI (Analog Devices, Inc.) AD7572LP05 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                        |                                |                                            |
