AHEAD OF WHAT'S POSSIBLE™

Part Number: [AD7719BRUZ-REEL](#)

Manufacturer: [ADI \(Analog Devices, Inc.\)](#)

Description: IC ADC 16BIT 24BIT DUAL 28TSSOP

Data sheet:  [AD7719](#)

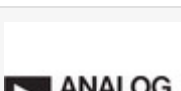

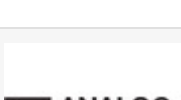

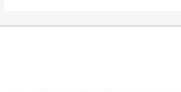

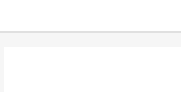

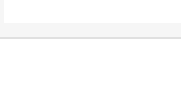

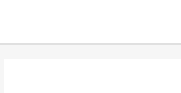

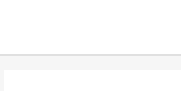

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Configuration                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | MUX-PGA-ADC                                                              | Base Part Number               | AD7719                                         |
| Architecture                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | Sigma-Delta                                                              |                                |                                                |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all ADI (Analog Devices, Inc.) series electronic components. We have 5361 pieces of ADI (Analog Devices, Inc.) AD7719BRUZ-REEL in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                          |                                |                                                |
