

AD9557BCPZ

AHEAD OF WHAT'S POSSIBLE™

Part Number:

AD9557BCPZ

Manufacturer

ADI (Analog Devices, Inc.)

Description

IC CLOCK TRANSLATOR 40LFCSP

Data sheet:

AD9557

RoHs Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

| Package / Case                                                                                                                                                                                                                                                                                                                                                                                                               | 40-VFQFN Exposed Pad, CSP   | PLL                             | Yes                        |
| Output                                                                                                                                                                                                                                                                                                                                                                                                                       | CMOS, HSTL, LVDS            | Operating Temperature           | -40°C ~ 85°C               |
| Number of Circuits                                                                                                                                                                                                                                                                                                                                                                                                           | 1                           | Mounting Type                   | Surface Mount              |
| Moisture Sensitivity Level (MSL)                                                                                                                                                                                                                                                                                                                                                                                             | 3 (168 Hours)               | Manufacturer Standard Lead Time | 12 Weeks                   |
| Main Purpose                                                                                                                                                                                                                                                                                                                                                                                                                 | Ethernet, SONET/SDH         | Lead Free Status / RoHS Status  | Lead free / RoHS Compliant |
| Input                                                                                                                                                                                                                                                                                                                                                                                                                        | CMOS, LVDS, LVPECL          | Frequency - Max                 | 1.25GHz                    |
| Differential - Input:Output                                                                                                                                                                                                                                                                                                                                                                                                  | Yes/Yes                     | Base Part Number                | AD9557                     |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all ADI (Analog Devices, Inc.) series electronic components. We have 3302 pieces of ADI (Analog Devices, Inc.) AD9557BCPZ in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                             |                                 |                            |
