

ALS70H512NJ500

Electronic Components

**KEMET**

CHARGED™

Part Number:

ALS70H512NJ500

Manufacturer:

KEMET

Description:

CAP ALUM 5100UF 20% 500V SCREW

Data sheet:

 [ALS70, 71 Series Datasheet](#)

RoHs Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

Shipment Way:

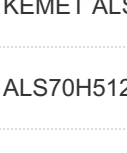

DHL/Fedex/TNT/UPS/EMS

| Tolerance                        | ±20%                                                                                                       | Surface Mount Land Size            | -                                          |
| Size / Dimension                 | 3.031" Dia (77.00mm)                                                                                       | Series                             | ALS70                                      |
| Ripple Current @ Low Frequency   | 15.2A @ 100Hz                                                                                              | Ripple Current @ High Frequency    | 21.7A @ 10kHz                              |
| Ratings                          | -                                                                                                          | Polarization                       | Polar                                      |
| Packaging                        | Bulk                                                                                                       | Package / Case                     | Radial, Can - Screw Terminals              |
| Operating Temperature            | -40°C ~ 85°C                                                                                               | Mounting Type                      | Chassis Mount                              |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                                                                              | Manufacturer Standard Lead Time    | 24 Weeks                                   |
| Lifetime @ Temp.                 | 5000 Hrs @ 85°C                                                                                            | Lead Spacing                       | 1.252" (31.80mm)                           |
| Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                                                                                 | Impedance                          | 43 mOhms                                   |
| Height - Seated (Max)            | 4.606" (117.00mm)                                                                                          | ESR (Equivalent Series Resistance) | 55 mOhm @ 100Hz                            |
| Detailed Description             | 5100µF 500V Aluminum Electrolytic Capacitors Radial, Can - Screw Terminals 55 mOhm @ 100Hz 5000 Hrs @ 85°C | Capacitance                        | 5100µF                                     |
| Applications                     | General Purpose                                                                                            |                                    |                                            |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all KEMET series electronic components. We have 1566 pieces of KEMET ALS70H512NJ500 in stock available now.  
Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
