

ALS71H474NJ025

Electronic Components

**KEMET**

CHARGED<sup>®</sup>

Part Number:

ALS71H474NJ025

Manufacturer:

KEMET

Description:

CAP ALUM 470000UF 20% 25V SCREW

Data sheet:

 [ALS70, 71 Series Datasheet](#)

RoHs Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

Shipment Way:

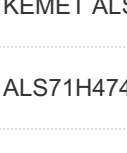

DHL/Fedex/TNT/UPS/EMS

| Tolerance                        | ±20%                                                                                                       | Surface Mount Land Size            | -                                          |
| Size / Dimension                 | 3.031" Dia (77.00mm)                                                                                       | Series                             | ALS71                                      |
| Ripple Current @ Low Frequency   | 28.8A @ 100Hz                                                                                              | Ripple Current @ High Frequency    | 29.4A @ 10kHz                              |
| Ratings                          | -                                                                                                          | Polarization                       | Polar                                      |
| Packaging                        | Bulk                                                                                                       | Package / Case                     | Radial, Can - Screw Terminals              |
| Operating Temperature            | -40°C ~ 85°C                                                                                               | Mounting Type                      | Chassis Mount                              |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                                                                              | Manufacturer Standard Lead Time    | 24 Weeks                                   |
| Lifetime @ Temp.                 | 5000 Hrs @ 85°C                                                                                            | Lead Spacing                       | 1.252" (31.80mm)                           |
| Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                                                                                 | Impedance                          | 9 mOhms                                    |
| Height - Seated (Max)            | 4.606" (117.00mm)                                                                                          | ESR (Equivalent Series Resistance) | 9 mOhm @ 100Hz                             |
| Detailed Description             | 470000µF 25V Aluminum Electrolytic Capacitors Radial, Can - Screw Terminals 9 mOhm @ 100Hz 5000 Hrs @ 85°C | Capacitance                        | 470000µF                                   |
| Applications                     | General Purpose                                                                                            |                                    |                                            |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all KEMET series electronic components. We have 2508 pieces of KEMET ALS71H474NJ025 in stock available now.  
Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
