

AMK042BJ473MC-W

**TAIYO YUDEN**

**Part Number:** [AMK042BJ473MC-W](#)

**Manufacturer:** [Taiyo Yuden](#)

**Description:** CAP CER 0.047UF 4V X5R 01005

**Data sheet:**  [AMK042BJ473MC-W](#)

**RoHs Status:** Lead free / RoHS Compliant

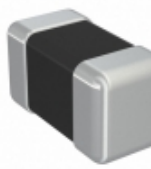

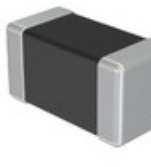

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                  | 0.047µF ±20% 4V Ceramic Capacitor X5R 01005 (0402 Metric) | Capacitance                      | 0.047µF                               |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                          | General Purpose                                           |                                  |                                       |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Taiyo Yuden series electronic components. We have 3017123 pieces of Taiyo Yuden AMK042BJ473MC-W in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                           |                                  |                                       |
