

AP1184T5-33L-U

Part Number: [AP1184T5-33L-U](#)

Manufacturer: [Diodes Incorporated](#)

Description: IC REG LINEAR 3.3V 4A TO220-5

Data sheet:  [AP1184](#)

RoHs Status: Lead free / RoHS Compliant

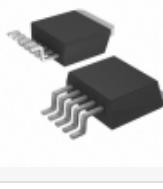

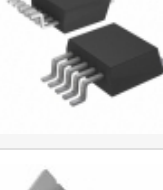

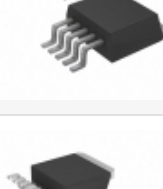

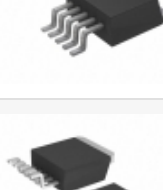

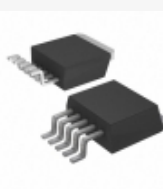

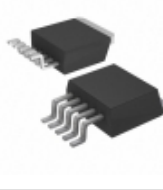

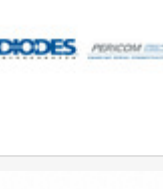

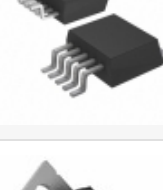

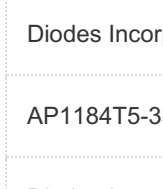

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Current - Supply (Max)                                                                                                                                                                                                                                                                                                                                                                                                                                             | 70mA                                      | Current - Quiescent (Iq)         | 25mA                                                                 |
| Current - Output                                                                                                                                                                                                                                                                                                                                                                                                                                                   | 4A                                        | Control Features                 | -                                                                    |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Diodes Incorporated series electronic components. We have 95278 pieces of Diodes Incorporated AP1184T5-33L-U in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                           |                                  |                                                                      |
