

AST-03032MR-R

Part Number: [AST-03032MR-R](#)

Manufacturer: [PUI Audio, Inc.](#)

Description: [SPEAKR 32OHM 100MW TOP PORT 81DB](#)

Data sheet:  [AST-03032MR-R](#)

RoHs Status: [Lead free / RoHS Compliant](#)

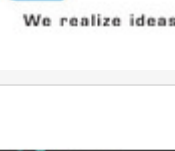

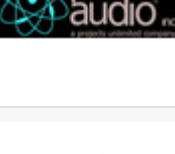

Ship From: [Hong Kong](#)

Shipment Way: [DHL/Fedex/TNT/UPS/EMS](#)

| Efficiency - Type                                                                                                                                                                                                                                                                                                                                                  | Sound Pressure Level (SPL)                                          | Efficiency - Testing             | 100mW/100mm                                 |
| Detailed Description                                                                                                                                                                                                                                                                                                                                               | 32 Ohms General Purpose Speaker 100mW 1.2kHz ~ 20kHz Top Round 81dB |                                  |                                             |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all PUI Audio, Inc. series electronic components. We have 59030 pieces of PUI Audio, Inc. AST-03032MR-R in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours. |                                                                     |                                  |                                             |
