

AT45DB011D-MH-SL955

**Part Number:** [AT45DB011D-MH-SL955](#)

**Manufacturer:** [Adesto Technologies](#)

**Description:** IC FLASH 1M SPI 66MHZ 8UDFN

**Data sheet:**  [AT45DB011D](#)

**RoHs Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

|----------------------------------|--------------------------------------------------------------------|--------------------------------|-------------------------------------|
| Part Number                      | AT45DB011D-MH-SL955                                                | Manufacturer                   | <a href="#">Adesto Technologies</a> |
| Description                      | IC FLASH 1M SPI 66MHZ 8UDFN                                        | Lead Free Status / RoHS Status | Lead free / RoHS Compliant          |
| Quantity Available               | 5589 pcs                                                           | Data sheet                     | <a href="#">AT45DB011D</a>          |
| Category                         | <a href="#">Integrated Circuits (ICs)</a>                          | Write Cycle Time - Word, Page  | 4ms                                 |
| Voltage - Supply                 | 2.7 V ~ 3.6 V                                                      | Technology                     | FLASH                               |
| Supplier Device Package          | 8-UDFN (5x6)                                                       | Series                         | -                                   |
| Packaging                        | Tape & Reel (TR)                                                   | Package / Case                 | 8-UDFN Exposed Pad                  |
| Operating Temperature            | -40°C ~ 85°C (TC)                                                  | Mounting Type                  | Surface Mount                       |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                                      | Memory Type                    | Non-Volatile                        |
| Memory Size                      | 1Mb (256 Bytes x 512 pages)                                        | Memory Interface               | SPI                                 |
| Memory Format                    | FLASH                                                              | Lead Free Status / RoHS Status | Lead free / RoHS Compliant          |
| Detailed Description             | FLASH Memory IC 1Mb (256 Bytes x 512 pages) SPI 66MHz 8-UDFN (5x6) | Clock Frequency                | 66MHz                               |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Adesto Technologies series electronic components. We have 5589 pieces of Adesto Technologies AT45DB011D-MH-SL955 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
