

AT45DB161B-TI-2.5

Part Number: [AT45DB161B-TI-2.5](#)

Manufacturer: [Micrel / Microchip Technology](#)

Description: IC FLASH 16M SPI 15MHZ 28TSOP

Data sheet:  [AT45DB161B](#)

RoHs Status: Contains lead / RoHS non-compliant

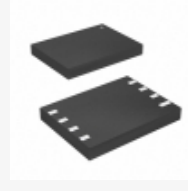

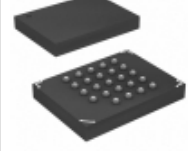

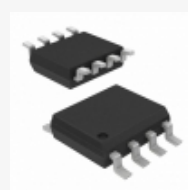

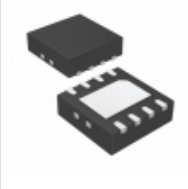

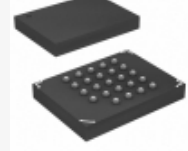

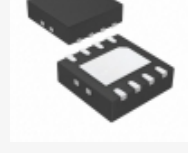

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | FLASH Memory IC 16Mb (528 Bytes x 4096 pages) SPI 15MHz 28-TSOP | Clock Frequency                | 15MHz                                         |
| Base Part Number                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | AT45DB161                                                       |                                |                                               |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Micrel / Microchip Technology series electronic components. We have 3971 pieces of Micrel / Microchip Technology AT45DB161B-TI-2.5 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                 |                                |                                               |
