

ATA6625C-GAQW

Part Number: [ATA6625C-GAQW](#)

Manufacturer: [Micrel / Microchip Technology](#)

Description: IC TXRX LIN W/VOLT REG 8SO

Data sheet:  [ATA6623C,25C](#)

RoHs Status: Lead free / RoHS Compliant

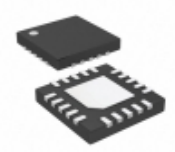

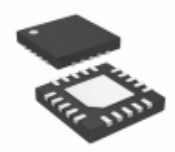

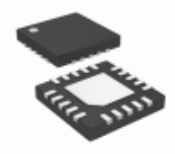

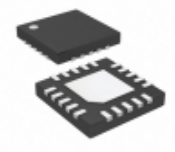

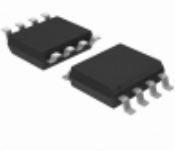

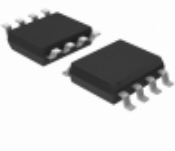

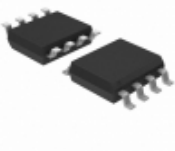

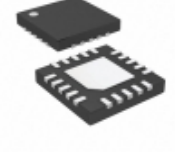

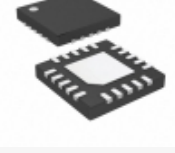

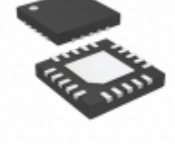

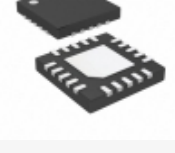

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Series                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | -                                         | Protocol                       | LINbus                                        |
| Packaging                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | Cut Tape (CT)                             | Package / Case                 | 8-SOIC (0.154", 3.90mm Width)                 |
| Other Names                                                                                                                                                                                                                                                                                                                                                                                                                                                                          | ATA6625C-GAQWCT                           | Operating Temperature          | -40°C ~ 150°C                                 |
| Number of Drivers/Receivers                                                                                                                                                                                                                                                                                                                                                                                                                                                          | 1/1                                       | Mounting Type                  | Surface Mount                                 |
| Moisture Sensitivity Level (MSL)                                                                                                                                                                                                                                                                                                                                                                                                                                                     | 3 (168 Hours)                             | Lead Free Status / RoHS Status | Lead free / RoHS Compliant                    |
| Duplex                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | -                                         | Detailed Description           | 1/1 Transceiver LINbus 8-SO                   |
| Data Rate                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | -                                         | Base Part Number               | ATA6625                                       |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Micrel / Microchip Technology series electronic components. We have 4183 pieces of Micrel / Microchip Technology ATA6625C-GAQW in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                           |                                |                                               |
