

ATA6630-PGQW

Part Number:

ATA6630-PGQW

Manufacturer:

Micrel / Microchip Technology

Description:

IC TXRX LIN W/REG WDT 20QFN

Data sheet:

RoHS Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

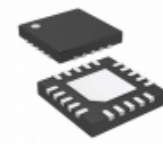

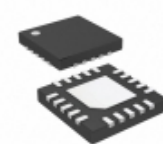

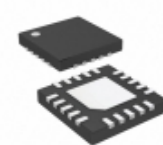

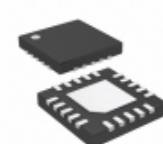

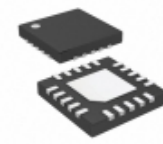

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

| Category                                                                                                                                                                                                                                                                                                                                                                                                                             | Integrated Circuits (ICs)                   | Voltage - Supply                 | 5 V ~ 27 V                    |
| Type                                                                                                                                                                                                                                                                                                                                                                                                                                 | Transceiver                                 | Supplier Device Package          | 20-QFN-EP (5x5)               |
| Series                                                                                                                                                                                                                                                                                                                                                                                                                               | -                                           | Receiver Hysteresis              | 250mV                         |
| Protocol                                                                                                                                                                                                                                                                                                                                                                                                                             | LINbus                                      | Packaging                        | Cut Tape (CT)                 |
| Package / Case                                                                                                                                                                                                                                                                                                                                                                                                                       | 20-VQFN Exposed Pad                         | Other Names                      | ATA6630-PGQWCT                |
| Operating Temperature                                                                                                                                                                                                                                                                                                                                                                                                                | -40°C ~ 150°C                               | Number of Drivers/Receivers      | 1/1                           |
| Mounting Type                                                                                                                                                                                                                                                                                                                                                                                                                        | Surface Mount                               | Moisture Sensitivity Level (MSL) | 3 (168 Hours)                 |
| Lead Free Status / RoHS Status                                                                                                                                                                                                                                                                                                                                                                                                       | Lead free / RoHS Compliant                  | Duplex                           | Half                          |
| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                 | 1/1 Transceiver Half LINbus 20-QFN-EP (5x5) | Data Rate                        | -                             |
| Base Part Number                                                                                                                                                                                                                                                                                                                                                                                                                     | ATA6630                                     |                                  |                               |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Micrel / Microchip Technology series electronic components. We have 5468 pieces of Micrel / Microchip Technology ATA6630-PGQW in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                             |                                  |                               |

|  | Part#: ATA6628-EK<br>Description: BOARD DEV LIN SBC ATA6628            | Manufacturers: Micrel / Microchip Technology | RFQ |
|  | Part#: ATA6628-PGQW<br>Description: IC TXRX LIN 20QFN                  | Manufacturers: Micrel / Microchip Technology | RFQ |
|  | Part#: ATA663201-GBQW<br>Description: 3.3V LDO                         | Manufacturers: Micrel / Microchip Technology | RFQ |
|  | Part#: ATA663211-GAQW<br>Description: IC TXRX LIN BUS REG/LIN 8SOIC    | Manufacturers: Micrel / Microchip Technology | RFQ |
|  | Part#: ATA6631-GAQW<br>Description: IC TXRX LIN SBC BUS 5V 8SOIC       | Manufacturers: Micrel / Microchip Technology | RFQ |
|  | Part#: ATA6628-GLQW<br>Description: IC TXRX LIN SBC BUS 3.3V 20QFN     | Manufacturers: Micrel / Microchip Technology | RFQ |
|  | Part#: ATA6631-TAPY<br>Description: IC TXRX 1/1 LIN W/VOLT REG 8SO     | Manufacturers: Micrel / Microchip Technology | RFQ |
|  | Part#: ATA6629-EK<br>Description: BOARD DEV LIN SBC ATA6629            | Manufacturers: Micrel / Microchip Technology | RFQ |
|  | Part#: ATA6630-GLQW<br>Description: IC TXRX LIN SBC BUS 5V 20QFN       | Manufacturers: Micrel / Microchip Technology | RFQ |
|  | Part#: ATA663203-GBQW<br>Description: 5V REGULATOR                     | Manufacturers: Micrel / Microchip Technology | RFQ |
|  | Part#: ATA6630-PGQW-19<br>Description: IC TXRX LIN W/REG WDT 20VQFN    | Manufacturers: Micrel / Microchip Technology | RFQ |
