

ATPL230AG55J19-R

Part Number: [ATPL230AG55J19-R](#)

Manufacturer [Micrel / Microchip Technology](#)

Description PL230A-AKU-R SAMG55J19A-MUT LQFP

Data sheet:

RoHs Status: Lead free / RoHS Compliant

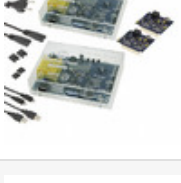

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Program Memory Type                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | -                                         | Operating Temperature          | -40°C ~ 85°C                                  |
| Moisture Sensitivity Level (MSL)                                                                                                                                                                                                                                                                                                                                                                                                                                                        | 3 (168 Hours)                             | Lead Free Status / RoHS Status | Lead free / RoHS Compliant                    |
| Interface                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | SPI                                       | Core Processor                 | External                                      |
| Controller Series                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | -                                         | Base Part Number               | ATPL230                                       |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | Power Line Communications                 |                                |                                               |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Micrel / Microchip Technology series electronic components. We have 5185 pieces of Micrel / Microchip Technology ATPL230AG55J19-R in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                           |                                |                                               |
