

AW-15SBW

Part Number: [AW-15SBW](#)

Manufacturer [PUI Audio, Inc.](#)

Description SIREN PIEZO INDICATOR 9-28V BASE

Data sheet:  [AW-15SBW](#)

RoHs Status: Lead free / RoHS Compliant

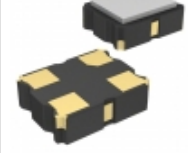

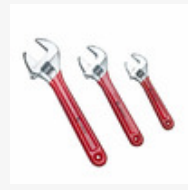

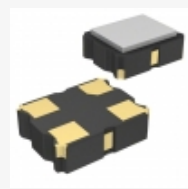

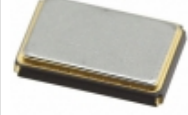

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                | Siren Indicator, Internally Driven Piezo 24V 6 ~ 33mA Multiple 84dB @ 24V, 100cm Base Mount | Current - Supply 6 ~ 33mA                                 |
| Approvals                                                                                                                                                                                                                                                                                                                                                                                                                                           | -                                                                                           |                                                           |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all PUI Audio, Inc. series electronic components. We have 2264 pieces of PUI Audio, Inc. AW-15SBW in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                                             |                                                           |
