

B32024A3824M000

Part Number: [B32024A3824M000](#)

Manufacturer: [EPCOS](#)

Description: CAP FILM 0.82UF 20% 1.5KVDC RAD

Data sheet:  [B32021-26 Series](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                    | 0.82µF Film Capacitor 300V 1500V (1.5kV) Polypropylene (PP), Metallized Radial | Capacitance                      | 0.82µF                                  |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                            | EMI, RFI Suppression                                                           |                                  |                                         |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all EPCOS series electronic components. We have 40932 pieces of EPCOS B32024A3824M000 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                                |                                  |                                         |
