

B32529C3334K289

Part Number: [B32529C3334K289](#)

Manufacturer [EPCOS](#)

Description CAP FILM 0.33UF 10% 250VDC RAD

Data sheet:  [B32520-29 Series](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                     | 0.33µF Film Capacitor 160V 250V Polyester, Polyethylene Terephthalate (PET), Metallized - Stacked Radial |                                | Capacitance                                                       | 0.33µF |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                             | Automotive; EMI, RFI Suppression                                                                         |                                |                                                                   |        |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all EPCOS series electronic components. We have 240134 pieces of EPCOS B32529C3334K289 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                                                          |                                |                                                                   |        |
