

B32653A4684K189

Part Number: [B32653A4684K189](#)

Manufacturer: [EPCOS](#)

Description: CAP FILM 0.68UF 10% 400VDC RAD

Data sheet:  [B32651-B32658 Series](#)

RoHs Status: Lead free / RoHS Compliant

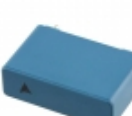

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                    | 0.68µF Film Capacitor 200V 400V Polypropylene (PP), Metallized Radial | Capacitance                    | 0.68µF                                  |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                            | DC Link, DC Filtering; High Pulse, DV/DT                              |                                |                                         |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all EPCOS series electronic components. We have 81355 pieces of EPCOS B32653A4684K189 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                       |                                |                                         |
