

B32653A6474K289

**Part Number:** B32653A6474K289

**Manufacturer:** EPCOS

**Description:** CAP FILM 0.47UF 10% 630VDC RAD

**Data sheet:**  [B32651-B32658 Series](#)

**RoHs Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                    | 0.47µF Film Capacitor 250V 630V Polypropylene (PP), Metallized Radial | Capacitance                    | 0.47µF                                  |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                            | DC Link, DC Filtering; High Pulse, DV/DT                              |                                |                                         |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all EPCOS series electronic components. We have 84094 pieces of EPCOS B32653A6474K289 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                       |                                |                                         |
