**Buy B43640A9227M067 with confidence from Component-World.HK, 1 Year Warranty**

**Part Number:** [B43640A9227M067](#)

**Manufacturer:** [EPCOS](#)

**Description:** CAP ALUM 220UF 20% 400V SNAP

**Data sheet:**  [B43640 Series](#)

**RoHs Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                    | 220µF 400V Aluminum Electrolytic Capacitors Radial, Can - Snap-In 450 mOhm @ 100Hz 2000 Hrs @ 105°C | Capacitance                        | 220µF                             |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                            | General Purpose                                                                                     |                                    |                                   |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all EPCOS series electronic components. We have 36809 pieces of EPCOS B43640A9227M067 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                                                     |                                    |                                   |
