

B43644A9687M000

Part Number: [B43644A9687M000](#)

Manufacturer [EPCOS](#)

Description CAP ALUM 680UF 20% 400V SNAP

Data sheet:  [B43644 Series](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                     | 680µF 400V Aluminum Electrolytic Capacitors Radial, Can - Snap-In 140 mOhm @ 100Hz 5000 Hrs @ 105°C | Capacitance                        | 680µF                         |
| Applications                                                                                                                                                                                                                                                                                                                                                                             | General Purpose                                                                                     |                                    |                               |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all EPCOS series electronic components. We have 10514 pieces of EPCOS B43644A9687M000 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                                                                                     |                                    |                               |
