

BA10339FV-E2

**Part Number:** [BA10339FV-E2](#)

**Manufacturer:** [LAPIS Semiconductor](#)

**Description:** IC COMPARATOR QUAD 18V SSOP-B14

**Data sheet:**  [BAx Family](#)

**RoHs Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                              | Comparator General Purpose Open Collector 14-SSOPB | Current - Quiescent (Max)         | 2mA                                 |
| Current - Output (Typ)                                                                                                                                                                                                                                                                                                                                                                                                                                            | 16mA @ 5V                                          | Current - Input Bias (Max)        | 0.25µA @ 5V                         |
| CMRR, PSRR (Typ)                                                                                                                                                                                                                                                                                                                                                                                                                                                  | -                                                  | Base Part Number                  | BA10339                             |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all LAPIS Semiconductor series electronic components. We have 358276 pieces of LAPIS Semiconductor BA10339FV-E2 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                    |                                   |                                     |
