

BFC233821334

Part Number: [BFC233821334](#)

Manufacturer: [Electro-Films \(EFI\) / Vishay](#)

Description: CAP FILM 0.33UF 20% 630VDC RAD

Data sheet:  [MKP 338 2x2 Series Datasheet](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                | 0.33µF Film Capacitor 310V 630V Polypropylene (PP), Metallized Radial | Capacitance                      | 0.33µF                                       |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                        | EMI, RFI Suppression                                                  |                                  |                                              |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Electro-Films (EFI) / Vishay series electronic components. We have 40153 pieces of Electro-Films (EFI) / Vishay BFC233821334 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                                                       |                                  |                                              |
