

BFC233868469

Part Number: [BFC233868469](#)

Manufacturer: [Electro-Films \(EFI\) / Vishay](#)

Description: CAP FILM 3300PF 10% 1KVDC RADIAL

Data sheet:  [MKP\\_338 6Y2 Series Datasheet](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                                | 3300pF Film Capacitor 300V 1000V (1kV) Polypropylene (PP), Metallized Radial |                                  |                                              |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | Automotive; EMI, RFI Suppression                                             |                                  |                                              |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Electro-Films (EFI) / Vishay series electronic components. We have 110027 pieces of Electro-Films (EFI) / Vishay BFC233868469 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                              |                                  |                                              |
