

BFC233921682

Part Number: [BFC233921682](#)

Manufacturer [Electro-Films \(EFI\) / Vishay](#)

Description CAP FILM 6800PF 20% 630VDC RAD

Data sheet:  [BFC2 339 \(MKP339 x2\) Series Datasheet](#)

RoHs Status: Lead free / RoHS Compliant

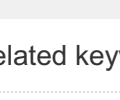

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                 | 6800pF Film Capacitor 310V 630V Polypropylene (PP), Metallized Radial | Capacitance                      | 6800pF                                                |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                         | Automotive; EMI, RFI Suppression                                      |                                  |                                                       |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Electro-Films (EFI) / Vishay series electronic components. We have 110591 pieces of Electro-Films (EFI) / Vishay BFC233921682 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                                                       |                                  |                                                       |
