

BFC2370EE223

**Part Number:** [BFC2370EE223](#)

**Manufacturer:** [Electro-Films \(EFI\) / Vishay](#)

**Description:** CAP FILM 0.022UF 10% 250VDC RAD

**Data sheet:**  [MKT370 \(BFC2370\) Series Datasheet](#)

**RoHs Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                 | 0.022µF Film Capacitor 63V 250V Polyester, Metallized Radial | Capacitance                      | 0.022µF                                           |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                         | Automotive                                                   |                                  |                                                   |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Electro-Films (EFI) / Vishay series electronic components. We have 454194 pieces of Electro-Films (EFI) / Vishay BFC2370EE223 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                                              |                                  |                                                   |
