

BFC2370EH184

Part Number: [BFC2370EH184](#)

Manufacturer: [Electro-Films \(EFI\) / Vishay](#)

Description: CAP FILM 0.18UF 10% 250VDC RAD

Data sheet:  [MKT370 \(BFC2370\) Series Datasheet](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                 | 0.18µF Film Capacitor 63V 250V Polyester, Metallized Radial | Capacitance                      | 0.18µF                                            |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                         | Automotive                                                  |                                  |                                                   |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Electro-Films (EFI) / Vishay series electronic components. We have 209120 pieces of Electro-Films (EFI) / Vishay BFC2370EH184 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                                             |                                  |                                                   |
