

BFC2370EM823

Part Number: [BFC2370EM823](#)

Manufacturer [Electro-Films \(EFI\) / Vishay](#)

Description CAP FILM 0.082UF 5% 250VDC RAD

Data sheet:  [MKT370 \(BFC2370\) Series Datasheet](#)

RoHS Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                 | 0.082µF Film Capacitor 63V 250V Polyester, Metallized Radial | Capacitance                      | 0.082µF                                           |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                         | Automotive                                                   |                                  |                                                   |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Electro-Films (EFI) / Vishay series electronic components. We have 244544 pieces of Electro-Films (EFI) / Vishay BFC2370EM823 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                                              |                                  |                                                   |
