

BFC237323155

Part Number: [BFC237323155](#)

Manufacturer: [Electro-Films \(EFI\) / Vishay](#)

Description: CAP FILM 1.5UF 10% 100VDC RADIAL

Data sheet:  [MKT373 \(BFC2373\) Series Datasheet](#)

RoHS Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 1.5μF Film Capacitor 63V 100V Polyester, Metallized Radial | Capacitance                      | 1.5μF                                             |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | General Purpose                                            |                                  |                                                   |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Electro-Films (EFI) / Vishay series electronic components. We have 61305 pieces of Electro-Films (EFI) / Vishay BFC237323155 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                            |                                  |                                                   |
