

BFC237355474

Part Number: [BFC237355474](#)

Manufacturer: [Electro-Films \(EFI\) / Vishay](#)

Description: CAP FILM 0.47UF 10% 400VDC RAD

Data sheet:  [MKT373 \(BFC2373\) Series Datasheet](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                | 0.47μF Film Capacitor 220V 400V Polyester, Metallized Radial | Capacitance                      | 0.47μF                                            |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                        | General Purpose                                              |                                  |                                                   |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Electro-Films (EFI) / Vishay series electronic components. We have 53114 pieces of Electro-Films (EFI) / Vishay BFC237355474 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                                              |                                  |                                                   |
