

BFC238340133

Part Number: [BFC238340133](#)

Manufacturer: [Electro-Films \(EFI\) / Vishay](#)

Description: CAP FILM 0.013UF 5% 1.4KVDC RAD

Data sheet:  [MMKP383 \(BFC2383\) Series Datasheet](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 0.013µF Film Capacitor 500V 1400V (1.4kV) Polypropylene (PP), Metallized Radial | Capacitance                      | 0.013µF                                            |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | High Pulse, DV/DT                                                               |                                  |                                                    |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Electro-Films (EFI) / Vishay series electronic components. We have 62514 pieces of Electro-Films (EFI) / Vishay BFC238340133 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                                 |                                  |                                                    |
