

BFC241843603

Part Number: [BFC241843603](#)

Manufacturer: [Electro-Films \(EFI\) / Vishay](#)

Description: CAP FILM 0.036UF 2% 250VDC RAD

Data sheet:  [MKP416-420 \(BFC2\\_416-420\) Series](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 0.036µF Film Capacitor 25V 250V Polypropylene (PP), Metallized Radial        | Capacitance                      | 0.036µF                                          |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | High Frequency, Switching                                                    |                                  |                                                  |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Electro-Films (EFI) / Vishay series electronic components. We have 66354 pieces of Electro-Films (EFI) / Vishay BFC241843603 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                              |                                  |                                                  |
