

BFC246704394

Part Number: [BFC246704394](#)

Manufacturer: [Electro-Films \(EFI\) / Vishay](#)

Description: CAP FILM 0.39UF 10% 100VDC RAD

Data sheet:  [MKT467, MKT468](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                                | 0.39µF Film Capacitor 63V 100V Polyester, Metallized Radial |                                  | Capacitance                                  | 0.39µF |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | General Purpose                                             |                                  |                                              |        |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Electro-Films (EFI) / Vishay series electronic components. We have 138327 pieces of Electro-Films (EFI) / Vishay BFC246704394 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                             |                                  |                                              |        |
