

BFC246719333

Part Number: [BFC246719333](#)

Manufacturer [Electro-Films \(EFI\) / Vishay](#)

Description CAP FILM 0.033UF 5% 250VDC RAD

Data sheet:  [MKT467](#), [MKT468](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                                | 0.033µF Film Capacitor 160V 250V Polyester, Metallized Radial |                                  | Capacitance 0.033µF                             |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | General Purpose                                               |                                  |                                                 |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Electro-Films (EFI) / Vishay series electronic components. We have 279152 pieces of Electro-Films (EFI) / Vishay BFC246719333 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                               |                                  |                                                 |
