

BFC247026104

Part Number: [BFC247026104](#)

Manufacturer: [Electro-Films \(EFI\) / Vishay](#)

Description: CAP FILM 0.1UF 5% 100VDC RADIAL

Data sheet:  [MKT470 \(BFC2470\) Series Datasheet](#)

RoHs Status: Lead free / RoHS Compliant

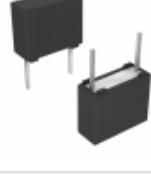

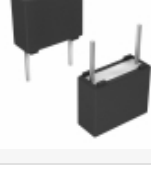

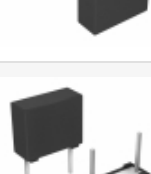

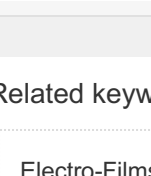

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 0.1µF Film Capacitor 63V 100V Polyester, Metallized Radial | Capacitance                      | 0.1µF                                             |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | General Purpose                                            |                                  |                                                   |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Electro-Films (EFI) / Vishay series electronic components. We have 80320 pieces of Electro-Films (EFI) / Vishay BFC247026104 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                            |                                  |                                                   |
