LAPIS Semiconductor

Part Number: [BR24T02FVM-WTR](#)

Manufacturer: [LAPIS Semiconductor](#)

Description: IC EEPROM 2K I2C 400KHZ 8MSOP

Data sheet:  [BR24T02-W Datasheet](#)

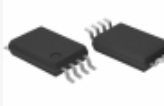

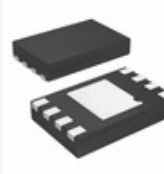

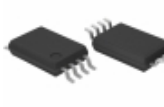

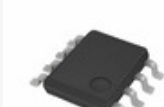

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                | EEPROM Memory IC 2Kb (256 x 8) I²C 400kHz 8-MSOP | Clock Frequency                  | 400kHz                                 |
| Base Part Number                                                                                                                                                                                                                                                                                                                                                                                                                                                    | BR24T02                                          |                                  |                                        |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all LAPIS Semiconductor series electronic components. We have 383808 pieces of LAPIS Semiconductor BR24T02FVM-WTR in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                  |                                  |                                        |
