

BU26TD2WNVX-TL

**Part Number:** [BU26TD2WNVX-TL](#)

**Manufacturer:** [LAPIS Semiconductor](#)

**Description:** IC REG LIN 2.6V SSON004X1216

**Data sheet:**  [BUxxTD2WNVX Series](#)  
 [SSON004X1010 Taping Spec](#)

**RoHs Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Voltage - Output (Min/Fixed)    | 2.6V                                                                        | Voltage - Output (Max)           | -                                                                              |
| Voltage - Input (Max)           | 6V                                                                          | Supplier Device Package          | SSON004X1216                                                                   |
| Series                          | -                                                                           | Protection Features              | Over Current, Over Temperature                                                 |
| Packaging                       | Tape & Reel (TR)                                                            | Package / Case                   | 4-UDFN Exposed Pad                                                             |
| PSRR                            | 70dB (1kHz)                                                                 | Output Type                      | Fixed                                                                          |
| Output Configuration            | Positive                                                                    | Other Names                      | BU26TD2WNVXTL                                                                  |
| Operating Temperature           | -40°C ~ 85°C                                                                | Number of Regulators             | 1                                                                              |
| Mounting Type                   | Surface Mount                                                               | Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                                                  |
| Manufacturer Standard Lead Time | 11 Weeks                                                                    | Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                                                     |
| Detailed Description            | Linear Voltage Regulator IC Positive Fixed 1 Output 2.6V 200mA SSON004X1216 |                                  |                                                                                |
| Current - Output                | 200mA                                                                       | Current - Quiescent (Iq)         | 60µA                                                                           |
| Base Part Number                | BU26TD2                                                                     | Control Features                 | Enable                                                                         |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all LAPIS Semiconductor series electronic components. We have 423851 pieces of LAPIS Semiconductor BU26TD2WNVX-TL in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
