| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                        | Monostable Multivibrator 100ns 16-DIP     | Current - Output High, Low     | 1.2mA, 3mA                          |
| Base Part Number                                                                                                                                                                                                                                                                                                                                                                                                                                            | 4538                                      |                                |                                     |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all LAPIS Semiconductor series electronic components. We have 94755 pieces of LAPIS Semiconductor BU4538B in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                           |                                |                                     |
