

BU7262SNUX-TR

Part Number: [BU7262SNUX-TR](#)

Manufacturer: [LAPIS Semiconductor](#)

Description: IC OPAMP GP 2MHZ RRO 8VSON

Data sheet:  [BU72xx, BU74xx](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Current - Input Bias                                                                                                                                                                                                                                                                                                                                                                                                                                               | 1pA                                       | Base Part Number                  | BU7262                                                        |
| Amplifier Type                                                                                                                                                                                                                                                                                                                                                                                                                                                     | General Purpose                           |                                   |                                                               |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all LAPIS Semiconductor series electronic components. We have 182609 pieces of LAPIS Semiconductor BU7262SNUX-TR in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                           |                                   |                                                               |
