

C0201C680J4GAC7867

Electronic Components

**KEMET**

CHARGED™

Part Number:

C0201C680J4GAC7867

Manufacturer:

KEMET

Description:

CAP CER 68PF 16V C0G/NP0 0201

Data sheet:

 [C0G Dielectric 10-250v Commercial](#)

RoHs Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

| Capacitance                                                                                                                                                                                                                                                                                                                                                                                                                                  | 68pF                            | Applications                     | General Purpose                                            |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all KEMET series electronic components. We have 6063430 pieces of KEMET C0201C680J4GAC7867 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                 |                                  |                                                            |
